

2018

LANTERNS FOR PEACE

Tuesday, August 7 @ 6pm
The Tenney Park Shelter
1414 E. Johnson Street, Madison

Join us as this free, family friendly event to commemorate 73 years since the Hiroshima and Nagasaki bombings, while celebrating peace and remembering those who lost their lives.

Offered annually by PSR and supporting sponsors, Lanterns for Peace features a peace song sing-along, refreshments and the decorating and floating of illuminated lanterns at dusk.

Students from the JASC will be giving a short presentation this year.

This memorial event is held worldwide, as a call for a peaceful, nuclear-free world.
