math (I.e: Katrina, Refugee Camp
setting).

Physical & mental health
aspects of underserved
populations.

Health care workers as advocates
for community health.

Followed by Q & A Session

*Funds will be raised for the health programs of the
Dheisheh group, but please join us regardless of your
intent or ability to donate.

RECEPTION TO FOLLOW PROGRAM

**Join us for a Panel Discussion with
the IbdAA Health Committee from
Dheisheh refugee camp, West Bank
on US Tour.**

Wisam Hasanat & Talal Shihadeh
will give an overview of their work
on mental health, child abuse, &
health education in the Dheisheh
camp. People in crisis have related
physical and mental health issues
across the globe.

This is a forum to begin the ex-
change of ideas and support.

Panelists:

Wisam Hasanat- Nurse and founding member
of IbdAA Health Committee.

Dr Cindy Haq-Center For Global Health at UW
Medical School.

Dr David Rosenthal- U of W professor working
with psychosocial aspects of rehab therapy
and PTSD.

Marc Rosenthal- Nurse with experience volun-
teering with Katrina crisis.

Talal Shihadeh-Nurse and founding member
of IbdAA Health Committee.

David Zeller– Social worker with Sauk County
Human Services-Mental Health.
